i-sit

TASK & MEETING CHAIRS

95.5%
Recyclability

The complete i-sit family is based on a modular principle that focuses on the use of a universal frame, avoiding the need for multiple components. The modular concept allows the entire product range to follow a clear design line and offers users the ability to select a harmonious configuration to suit their needs. i-sit uniquely combines design and innovation in an affordable package making it perfect for all markets and organisations.

Please refer to the price and specification guide for all available options.
