

A modern office interior featuring a long white desk with a light wood top. Several ergonomic office chairs with black frames and green mesh backs are positioned at the desk. Each workstation has a large Apple iMac monitor, a keyboard, and a mouse. Light blue privacy screens are placed between the workstations. In the background, there is a bookshelf with various books, a small wooden table with a chair, and a wall with a textured, light blue pattern. A large window on the left side of the image shows a view of a city skyline. The floor is made of light-colored wood planks.
