# ESSENTIELLE

## Acoustic booths

---

The Essentielle acoustic booths are independent and practical spaces designed specifically to provide the calm and privacy you need. Ideal to concentrate, make confidential phone calls or simply relax, the Essentielle booths allow you to isolate yourself and escape from the busy background atmosphere inherent to coworking spaces.

These acoustic booths, 100 % made in France, have also been eco-responsibly designed, to meet the requirements of companies that are concerned about their environmental impact.

ESSENTIELLE booths - A complete range - 5 models to meet all your requirements.

**S**

For 1 standing person

**S Desk**

For 1 seated person

**M**

For 2 people

**L**

For 4 people

**XL**

For 6 people

#### Products 100 % made in France

All our booths are developed, manufactured and assembled in France.

#### Eco-designed and recyclable booths

All the booth components can be disassembled and recycled.

#### Environmentally-friendly materials

- Wood from sustainably managed forests.
- 100 % recycled foam, manufactured in the Ardèche.
- Oeko-Tex® fabric
- Booths equipped with low-consumption electrical system.

#### Awarded an A rating by Eco Impact

All our acoustic booths have been awarded an A rating on a scale from A to E.
