Ben

MULTI-PURPOSE SEATING

Ben

MULTI-PURPOSE SEATING

A harmonious combination of both traditional and modern, Ben blends comfort with style. A robust aluminium seat plate supports rounded wooden legs that are available in a beech, walnut, espresso, wenge, black, grey or white finish. Above this sits an extremely durable, ergonomically moulded, polypropylene shell that is available in sixteen vibrant colours or upholstered in your choice of fabric. These options allow Ben to be personalised to fit many modern office and leisure environments including meeting rooms, breakout areas, bars/restaurants, waiting rooms and conference facilities. Please refer to the price and specification guide for all available options.
