Design by Roger Webb Associates

The Swoosh seating range is a collection of simple and stylish furniture that lends itself to an array of spaces. Swoosh furniture will fit easily into any reception area, café, lounge or learning environment.

Swoosh chairs are available in either a meeting or lounge style with a metal wire base as well as an oak base with or without arms. 2-seater sofas are available with a metal wire base as well as a solid oak base with or without arms. The stools are available with a high or low back, and wire or solid oak base.
