## POLKA: FLEXIBLE & FUN MODULAR SYSTEM

---

Polka is a flexible and fun modular seating range with soft curves and gentle waterfall seat edges. Its low wide stance and irregular shapes provide a striking alternative for sitting, relaxing and touchdown working.

Ideal for reception, atrium, break-out areas, schools, colleges and universities, Polka gives designers an exciting palette of soft shapes and striking colours to create outstanding and dynamic environments.

## POLICY

Pledge manufacture in the United Kingdom and are a true manufacturer producing wooden, steel and upholstered products at our site in Leighton Buzzard.

We are committed to the efficient use of energy and continually review our processes to reduce environmental impact seeking to utilise technologies which minimise energy and material consumption in our products and services.

## CERTIFICATION

Pledge is ISO9001 & ISO14001 certified, guaranteeing quality and environmental management standards are met.

Furniture Industry Sustainability Programme (FISP)

Furniture Industry Research Association (FIRA)

Forest Stewardship Council® (FSC®)

## OPERATION

Pledge offers a 5-year warranty on structural components. Fabrics are covered by the manufacturers' guarantee.

These terms apply to Pledge Seating used only in general office environments during normal working hours and subject to fair wear and tear. Terms for seating used 24/7 application are available on request.

Our full terms concerning warranties can be found in our Seating Price Guide under terms and conditions section 9.
