# MILO

## **MILO:** *MULTI-FUNCTIONAL*

A collection of multi-functional chairs, exhibiting a delightful array of colors and finishes, each tailored for diverse workspace requirements.

The chair's overall design is ergonomic, with a rounded backrest that cradles the user, promoting comfort during extended use. The legs are evenly spaced and provide stability, blending seamlessly into the design.

Vibrant energy that could uplift any workspace. Its high back and embracing armrests are molded to offer support, while the base is a sleek black four star raaied base design adds a modern efficiency to the structure. The contrast between the soft, enveloping plastic and the sturdy base creates durability and adaptability, suitable for different settings. With the additional option to add castors.

An inviting back that encourages relaxation. Its understated color complements both natural and contemporary interiors, making it versatile for various office themes.

This collection showcases a thoughtful balance of form, function, and aesthetics, each piece crafted to meet the ergonomic needs of different users while seamlessly integrating into a variety of workplace environments.

## POLICY

Pledge manufacture in the United Kingdom and is a true manufacturer producing wooden, steel and upholstered products at our site in Leighton Buzzard.

We are committed to the efficient use of energy and continually review our processes to reduce environmental impact, seeking to utilise technologies which minimise energy and material consumption in our products and services.

## OPERATION

Pledge offers a 5-year warranty on structural components. Fabrics are covered by the manufacturers' guarantee.

These terms apply to Pledge seating used only in general office environments during normal working hours and subject to fair wear and tear. Terms for seating used 24/7 application are available on request.

Our full terms concerning warranties can be found in our Seating Price Guide under terms and conditions section 9.

## SUSTAINABILITY

Every seating product has an impact on the environment throughout its life cycle, from extraction of the raw materials, production, to final disposal and recycling.

As a company Pledge are committed to reducing the environmental impact of all products produced and distributed from their Bedfordshire manufacturing facility, with the ultimate goal of contributing towards the creation of a sustainable society for future generations.

## RECYCLING

Pledge Office Chairs work with 3B Recycling to improve recycling practices; developing a zero to landfill solution for all recyclable cardboard and plastic films generated on site.

This strengthened approach to waste handling has resulted in over 35.4 Tonnes of cardboard being diverted from landfill within the report period.

Pledge will continue to work with 3B Recycling in line with the UK Government's Resources and Waste Strategy for England, putting a strong focus on Corporate Social Responsibilities towards minimising waste, promoting resource efficiency, and moving towards a circular economy.
