Pill

MODULAR SEATING

Pill's striking and distinctive design combines comfortable modular seating with a unique look, delivering an original, yet multi-functional piece of furniture, unseen anywhere else. Its cleverly concealed tables are hidden within the modular seat, to create an informal meet and greet area, with space saving advantages. Inter-connecting tables allow Pill modules to be linked together at any angle up to 45°, establishing flexible and inspirational collaborative areas in a vast range of applications.

Please refer to the price and specification guide for all available options.
